Coaching and Mentoring of Inclusionary Behavioral Strategies (6 Hours)

Tuesday, July 13, 2021 & Wednesday, July 14, 2021
4:30PM - 7:30PM

NOTE: This course is designed for coaches, mentors, and teacher leaders that are collaborating with classroom educators, providing job-embedded professional development.

Educational Leaders will evaluate the lenses of themselves and their colleagues that limit student behavioral change as well as reinforce systemic and historically exclusionary practices. They will identify frameworks that will help to cultivate alternative lenses from which to view behavioral approaches. They will look at ways to coach teachers for lasting and equitable change by applying high leverage practices and other research-based methodology.

This course is for those who already have a basic understanding of: growth mindset, implicit bias, ACEs, restorative practices, PBIS, and functional analysis of behavior. We recommend you take the foundational course before the coaching and mentoring version where time is spent introducing these concepts.

Racing Up!: Talking About Race in the Classroom (1.5 hours)

Thursday, August 12, 2021
4:00PM-5:30PM

Talking about racial justice in public education—constructively, honestly, and openly—is difficult. We as educators must continually challenge and dismantle, piece by piece, the structures, policies and implicit biases we all have that prop up white privilege at the expense of students and families of color. To do anything less is to deny the world in which our students live, to concede that some students deserve less. This course is provided through a partnership with the National Education Association (NEA).

Multi-Tiered System of Supports (MTSS): Foundations and Tier I (6 hours)

Wednesday, September 1, 2021 & Thursday, September 2, 2021
4:30PM-7:30PM

Multi-Tiered System of Supports (MTSS) is a term used to describe an evidence-based model of schooling that uses data-based problem-solving to integrate academic and behavioral intervention and intervention. The integrated instruction and intervention are delivered to students in varying intensities (multiple tiers) based on student need. "Need-driven" decision-making seeks to ensure that district resources reach the appropriate students (schools) at the appropriate levels to accelerate the performance of all students to achieve and/or exceed proficiency. In this course, the foundations and Tier I of MTSS will be covered.
